Dear Mark,

Re: Rate 1 Coaching.

I thank you for your presentation of the Rate 1 Coaching, Propeller of Life Course that you delivered to the management team of the uMsobomvu Youth Fund who visited Zingela for their team building weekend.

We have had very positive feedback that all those who attended your course found it to be very interesting but more importantly extremely beneficial in that what they learned on the day will help them not only in their professional lives but in their private lives as well.

We look forward to working with you again in the near future as we believe with our team building offering and the Rate 1 Coaching course, our businesses compliment each other very well indeed.

Kind regards,
Mark / Linda Calverley.
