Dear Mr Mark Linley,

On behalf of the Moses Kotane Institute, I would like to express my sincere gratitude to you for participating in our Ubuntu Conference on the 29th to 30th October 2010.

The conference would not have been a success without you. We will send you any relevant documents regarding the conference in the near future and we look forward to the development of a positive relationship between yourself/organization and the Moses Kotane Institute.

Prof Albert Thembinkosi Modi
CEO Moses Kotane Institute
